Insurance

All pupils' instruments must be insured as part of the parents' home insurance policy. It is advisable to keep a record of serial numbers for this purpose. Steyning Grammar School cannot accept responsibility for instruments damaged, lost or stolen in school.

Students have the opportunity to take part in many events at SGS and in the wider community. We are constantly reviewing our offer to suit students' aspirations and tastes.

Steyning Grammar School

Instrumental/Voice Lesson &

Music Activities

2018-2019

The Music Department

Here at the Steyning Grammar School Music department we are proud of our array of Instrumental Music Lessons and activities available to our students. We offer a relaxed atmosphere where our students work hard to achieve great results in Woodwind, Brass, Strings, Piano, Guitar (electric and acoustic), Drums and Singing.

How are lessons taught?

Ten Lessons or more are taught for 20-30 minutes each week – which is taken from a rotation of academic lessons, usually not having to miss the same lesson more than once per term.

A timetable for each teacher is posted on the Music boards on all sites. Students are encouraged to view this weekly.

Instrument Hire

West Sussex Music runs an instrument hire system which is open to all students.

For more details, please contact the West Sussex Music Office:

08452 082 182 or 01798 343361

music@westsussexmusic.co.uk
