

REMOTE ACCESS FROM AN APPLE IPHONE or IPAD v004 09/10/14

Tested using iOS version 8.0.2

1. Download & install the free App called "Microsoft Remote Desktop" version 8.1.4 from the App Store, using the following URL.
<https://itunes.apple.com/gb/app/microsoft-remote-desktop/id714464092>
2. Once the "Microsoft Remote Desktop" App is installed.
3. Go to the School Website **<http://www.sgs.uk.net>** & click on the "Remote Access" Item.
4. Select – Open in "RD Client"
5. In the User Name field type your logon ID prefixed with sg e.g. **sg\12345**
6. In the password field type your school password.
7. Select – Done,
8. You will then be prompted to enter your User Name & Password again as above.
9. Done
10. After the logon process has completed you will see your "Remote Access" Desktop as shown below.

11. **Mouse** – after you have logged in if you do not have a mouse cursor, click on "**rds.internal...**" at the top of the screen. Then click on the Touch icon on the right hand side menu bar.

Note: There are many Free Apps available supporting "Microsoft Remote Desktop" or (RDP), but these will not work with the Schools "Remote Access" unless they support "Microsoft Remote Desktop Server Gateway (RDS Gateway) 2008 R2.
