Re: Link for Choosing Yr9 Subject Options

Dear Parents and Carers,

As we have previously explained, today is the day that we will send the link out for parents and carers to select the options their children would like to study from Year 9 to 11. The link you need to follow is: <https://goo.gl/forms/3XwJHn0nPNAdKJ2y2>.

After filling out some personal details, you are asked to choose one of the compulsory subjects to study and then any other three subjects. Finally, because we are not always able to satisfy all option requests, you are also asked to put down a reserve subject. We will contact you about reserve subjects if we are unable to satisfy a student's first choices.

There are more details and advice on choosing options in the Options Booklet. This was issued to students and is available online at <http://www.sgs.uk.net/options/18930.html>

If you attended our Subject Information Evening last night, you will be aware that we are no longer able to offer the Extended Project Qualification. This is because of national changes in recent weeks. However, we will still be offering the Duke of Edinburgh's Award in Year 10. This will be completed (by the students that choose it) as an alternative to some of their Core PE lessons. You do not need to opt for D of E on the options form because that choice is made at the end of year 9 to begin in Year 10. If your child was thinking of doing the Extended Project Qualification they will need to opt for something else instead. The online version of the Options booklet is up to date with these changes.

If you have any queries about options or have difficulties with the online options form please do not hesitate to contact me at awood@sgs.uk.net.

The deadline for completing the options form is February 24th 2019.

Regards,
Andrew Wood
Assistant Headteacher
Steyning Grammar School
