

Request for a Review of Marking – Candidate consent form

THIS FORM MUST BE COMPLETED AND SIGNED BY THE STUDENT, NOT THEIR PARENT/CARER

If a review of the original marking is requested for any of your examinations after your subject grade has been issued, there are three possible outcomes:

- Your original mark is lowered, so your final grade may be lower than the original grade you received.
- Your original mark is confirmed as correct, so there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.

In order to proceed with the request for a review of marking you must complete and sign the form below, and pay the relevant fee, by the deadline date shown. You may also request the return of your reviewed examination script when you request a review of marking.

Deadline is 1pm on the following dates

Request for Priority Review of marking: 22 August 2019

Available only if candidate’s 2019 place in higher education is dependent on the outcome

Request for Review of marking (Enquiry about Result): 19 September 2019

Fees NOTE: fees are **per paper**, not per subject

Priority Review of marking (per paper) £56.00 with return of script £71.00

Available only if candidate’s 2019 place in higher education is dependent on the outcome

Review of marking (per paper) £47.00 with return of script £62.00

If a review of marking request results in a change of grade, the review fee will be refunded, but there will still be a charge for the return of the script.
