

## Sixth Form College Option Blocks for Year 12 2020-2021

updated Oct 2019

Please choose one subject per block, with some blocks remaining empty; these will become your independent learning time. For most students this will be three subjects. You may add a GCSE re-sit, Core Maths or Football Academy as a fourth. If you are predicted at least 7 7's at GCSE or equivalent, then you may select four A levels or equivalent courses but please consider this option carefully. EPQ is coursed in addition to three A level or equivalent courses. If you are opting for the Applied Pathways you need to choose a double BTEC option in both blocks and one further option.

**All subjects in the same blocks are taught at the same time**
